### **Volunteers Needed for Standard Setting Panels**

The IPSB is recruiting teachers for standard setting panels to recommend passing scores on new tests for middle school licensing in language arts, science, and social studies. We are also recruiting teachers for a standard setting panel in theater. Teachers with six or less years of experience or teachers who have supervised a beginning teacher in a field experience are eligible to be considered for these panels.

Tentative dates for the standard setting panels are the middle of January. The IPSB will pay for a substitute teacher or an honorarium if the teacher is not in school. For the biographical information form to volunteer see [http://www.in.gov/psb/BIO\\_FORM\\_FOR\\_SLP.pdf](http://www.in.gov/psb/BIO_FORM_FOR_SLP.pdf) Complete

### **Portfolios for Rules 2002 Initial Practitioner Instructional License**

Beginning teachers with Rules 2002 initial practitioner licenses are currently enrolled in Year 1, the mentoring year, of the Indiana Mentoring and Assessment Program. These teachers will be completing portfolios during the 2004-05 academic year and will be held to a completion standard. In other words, all of the entries must be completed to the point that the portfolio could actually be scored.
